

Air 1 has been a tremendous asset to me in my local community, it brings a positive message to me daily and provides me the broadcasting I like to hear. If Air 1 were to be displaced by an LPFM broadcaster I would be concerned that I would no longer have the choice to listen to a positive alternative message daily. I think Air 1 is best left on the FM dial as the public needs to have a solid, positive, Christian radio station that allows us to rock with a positive message. We need good thoughts and attitudes, Air 1 provides a great message in a format that is today! Thank you...SAVE AIR 1!
